It can be obtained directly from your chosen rollover fund. The ABN may also be obtained by using the Super Fund Lookup service at the superfundlookup.gov.au website.

*An ESA is an alias that represents the uniform resource locator (URL) or internet protocol (IP) address of a messaging provider. It ensures you meet all technical requirements for interacting electronically across the superannuation network. An email address is not an ESA.

You can obtain an ESA from an SMSF messaging provider or through your SMSF intermediary such as SMSF administrator, tax agent, accountant or some banks. Many of these options are no cost or low cost.

If you choose to rollover any part of your benefit – it must be rolled over to a complying superannuation fund.

If you choose to rollover to a self-managed superannuation fund (SMSF), payment will be made by electronic funds transfer (EFT) to the SMSF's operating bank account. You will need to provide a copy of a bank statement for the SMSF, and the bank account name will need to match the name of the SMSF. Your membership in the SMSF will also be confirmed using the ATO's SMSF verification service prior to processing any rollover.
