

Advice of SSS Member Ceasing Employment or Aged 65 and Over, Wishing to be Paid a Benefit

Notes for employers

Use this form:

- to let us know at once about any employees contributing to SSS who have ceased employment with you, or
- to give us details of members aged 65 and over who are still employed but wish to be paid their benefit.

How should the information be sent to Mercer?

You can complete an *Advice of Member Ceasing Employment* form online via the State Super Employer Portal or use this form and email to:

SSS_Benefits@mercer.com

or post to:

State Super (SSS)
GPO Box 2181
Melbourne VIC 3001

Exit reason

The reason for exit can be one of the following:

- aged 65
- resignation
- invalidity
- early voluntary retirement
- discharge
- death
- age retirement
- dismissal
- retrenchment

For exits due to invalidity, age retirement, retrenchment or over age 65, please complete appropriate section overleaf.

Annual (or attributed) full-time salary

The annual salary rate to be provided is:

- If the employee is less than age 70 the 'superable' salary applicable on the date of the employee's exit.
- If the employee has reached age 70 the 'superable' salary applicable on their 70th birthday.

If the employee works part-time, you need to give us the actual part-time salary and the equivalent full-time salary on which the part-time salary is based so that we can make the necessary calculations.

Age 65 or over

This exit reason should be used where a member is aged 65 or over, and is still working but wishes to be paid a benefit.

You will still need to satisfy any superannuation guarantee (SG) requirements on their behalf, from the date they exit SSS. The SG contributions may be paid to another complying superannuation fund of the employee's choice.

Age retirement, or over age 65: statement of broken service

If employment is ceasing due to age retirement or over 65, you need to provide the dates of any periods of prior service which have been recognised for accrual of the employee's long service leave. This is to establish the total length of service for the benefit calculation.

If the employee has worked for you for a longer period than they have been a member of the scheme, please also record in this section the time period they were not in the scheme.

Leave without pay periods and casual employment periods are **not** required.

Grounds for retrenchment

If the employee has been retrenched, please indicate the specific grounds for the retrenchment in the *Retrenchment* section of this form.

If the employee has been retrenched and is aged between 50 and 55, they can choose to defer payment of their benefits until age 55 by electing to take the special deferred retirement benefit (payable under section 37B), provided the employer agrees to this. This means both the employer and the employee will pay extra contributions to fund the higher entitlement due at age 55. Please indicate whether you agree that the employee may apply for the special deferred retirement benefit.
